

# Dataman - Exercises (Rated) - SoSe 22

## Ex1 - SQL Queries

- Data model ([link](#)), schema: uawdwh
- Each group gets an individual exercise
- This will be sent by email to all group members on 20.05.22 at 7:30
- Solutions must be sent back by email on same day until 13:30
- Solutions (SQL queries) are to be sent in textual format (just plain text, no Word nor Pdf)
- Only one solution per group: combine your individual work in one email
- I will be available via Zoom during the whole time for video calls
- Don't hesitate to call me, if you have any question.

## Ex2 - Visualization

- Mode of operation: on solution per group
- Each group gets an individual exercise
- This will be sent by email to all group members on 17.06.22 at 7:30
- Solutions (just the Tableau file) must be sent back by email on same day until 13:30
- I will be available during the whole time for video calls
